

PEER REVIEW FORM

Project reviewed: _____

Reviewer: _____

Review like a judge: kind, specific, and honest. Check each item you can find, then write one strength and one suggestion.

THE BOARD

- ☐ Title, name, school, and grade are easy to find
- ☐ Question and hypothesis are clearly stated
- ☐ Text is readable from three feet away, at least 16 point
- ☐ Data appears as tables or graphs, not just sentences
- ☐ The board tells the story in under a minute

THE SCIENCE

- ☐ Only one variable was changed on purpose
- ☐ There is a control group or baseline for comparison
- ☐ The experiment was repeated three or more times
- ☐ The conclusion answers the original question
- ☐ The conclusion honestly says whether the hypothesis was supported
